WHEREAS Council for the City of Greater Sudbury directed staff to prepare a LaSalle Boulevard Corridor Plan and Strategy;

AND WHEREAS staff presented the first draft Corridor Plan and Strategy on May 28th, 2018;

AND WHEREAS the Plan and Strategy identifies Gateway features at the intersections of LaSalle and Notre-Dame and LaSalle and Falconbridge;

AND WHEREAS the New Sudbury Historical Society's goal is to preserve, conserve and celebrate the history of New Sudbury;

NOW THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to work with the New Sudbury Historical Society and other landowners, if applicable, to determine appropriate locations for the installation of community identity signs in the gateway features of New Sudbury as identified in the draft Corridor Plan and Strategy, which determination shall include considerations for such things as, but not limited to, City by-laws and any other pertinent legislation, public health and safety, and ongoing maintenance costs.

WHEREAS the Maley Drive Extension has been a priority for the City of Greater Sudbury since 1973;

AND WHEREAS funding sources for the Maley Drive Extension were realized with one-third shares provided by each of the municipal, provincial and federal levels of government;

AND WHEREAS the noise studies conducted formed part of the Environmental Assessments which date back to 1995 and 2006;

AND WHEREAS residents in close proximity to the new Maley Drive Extension, through a Petition, have raised their concerns regarding the excessive traffic noise that will occur on this new roadway, which will be "beyond what is acceptable for the adjacent, and already established neighbourhoods" and have requested "mitigation elements to be integrated into the Maley Drive project";

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to bring a report to Council for consideration at its August 14th, 2018 meeting, with options for noise abatement measures to be implemented within the Maley Drive extension project, to ensure the continued livability of the adjacent neighbourhoods.
