## **MOTIONS**

### **R-3. Options for Accountability Disclosure Mechanisms on the Use of Personal Funds**

As presented by Councillor Landry-Altman:

WHEREAS at its December 11th, 2012 Council meeting, City Council, in an effort to further transparency and accountability, approved the Council Expense and Healthy Community Initiative Fund Policy;

AND WHEREAS City Council remains committed to furthering transparency and accountability for the City of Greater Sudbury;

AND WHEREAS Council expenses and Healthy Community Initiative Fund expenditures are reported to the public on a quarterly basis;

AND WHEREAS on occasion Members of Council may choose to use personal funds to pay for certain office expenses;

AND WHEREAS the use of personal funds does not provide a fair and level playing field and is not currently subject to the same accountability disclosure mechanisms as set out in the Council Expense and Healthy Community Initiative Fund Policy;

NOW THEREFORE BE IT RESOLVED that City of Greater Sudbury staff be directed to research options for accountability disclosure mechanisms on the use of personal funds, and/or services offered in kind or paid for by a third party, to Members of Council for office expenses, and to report those options at the November 5th, 2013 City Council meeting.

### **R-4. Council Expense and Healthy Community Initiative Fund Policy**

As presented by Councillor Belli:

WHEREAS at its December 11th, 2012 Council meeting, City Council, in an effort to further transparency and accountability, approved the Council Expense and Healthy Community Initiative Fund Policy;

AND WHEREAS City Council remains committed to furthering transparency and accountability for the City of Greater Sudbury;

AND WHEREAS pursuant to the Council Expense and Healthy Community Initiative Fund Policy, twenty-five percent (25%) of the annual Healthy Community Initiative Fund allocation can be spent on grants and donations to community groups, community event expenses, and gifts and promotions for community events and community groups;

AND WHEREAS the use of Health Community Initiative Funds towards grants and donations to community groups, community event expenses, and gifts and promotions for community events and community groups does not provide a fair and level playing field to candidates who are not incumbents;

NOW THEREFORE BE IT RESOLVED THAT the Council Expense and Healthy Community Initiative Fund Policy be amended to provide that one hundred percent (100%) of the Healthy Community Initiative Fund allocation be permitted only on capital projects to build, replace, repair or purchase municipally owned assets.

**R-5. Replacement of the Sudbury Community Arena**

As presented by Councillor Belli:

WHEREAS the Sudbury Community Arena is the oldest arena in the Ontario Hockey League (OHL), having been built in 1951;

AND WHEREAS the Sudbury Community Arena does not have the amenities of newly constructed OHL facilities such as a dehumidification system, the lack of which recently lead to the cancellation of an OHL hockey game;

AND WHEREAS the OHL is seeking an update from the City of Greater Sudbury as to its replacement plans for the Sudbury Community Arena;

AND WHEREAS at its July 8th, 2013 meeting, the Community Services Committee approved resolution CS2013-34, which among other items, included "That opportunities be explored to replace the Sudbury Community Arena, including the consideration of Public-Private-Partnerships and Reserves", which resolution was adopted by Council at its July 9th, 2013 meeting;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury direct the expedition of the exploration process for the replacement of the Sudbury Community Arena.

## **MOTION**

### **R-3. Options en matière des mécanismes de divulgation dans le cadre de la reddition de comptes sur l'utilisation de fonds personnels**

Présentée par la Conseillère Landry-Altmann :

ATTENDU QUE, lors de sa réunion tenue le 11 décembre 2012, le Conseil municipal, afin de favoriser la transparence et la reddition de comptes, a approuvé la politique sur les frais du Conseil municipal et sur le fonds de l'initiative Communauté en santé;

ATTENDU QUE le Conseil municipal continue de tenir à favoriser la transparence et la reddition de comptes pour la Ville du Grand Sudbury;

ATTENDU QU'ON donne un compte rendu des frais du Conseil municipal et des dépenses de l'initiative Communauté en santé chaque trimestre;

ATTENDU QUE, à l'occasion, les membres du Conseil municipal peuvent choisir d'utiliser des fonds personnels pour payer certains frais de bureau;

ATTENDU QUE le recours aux fonds personnels n'assure pas des conditions équitables et qu'il n'est pas assujéti aux mêmes mécanismes de communication et de reddition de comptes que ne l'indique la politique sur les dépenses du Conseil municipal et le fonds de l'initiative Communauté en santé;

PAR CONSÉQUENT, IL EST RÉSOLU QU'ON demande au personnel de la Ville du Grand Sudbury de faire des recherches sur les options en matière de mécanismes de communication et de reddition de comptes quant à l'utilisation de fonds personnels ou de services en nature offerts par un tiers à des membres du Conseil municipal quant aux frais de bureau, et de faire un rapport sur ces options lors de la réunion du Conseil municipal qui doit avoir lieu le 5 novembre 2013.

### **R-4. Politique sur les dépenses du Conseil municipal et sur le fonds de l'initiative Communauté en santé**

Présentée par le Conseiller Belli :

ATTENDU QUE, lors de sa réunion tenue le 11 décembre 2012, le Conseil municipal, afin d'assurer une plus grande transparence et une plus grande reddition de comptes, a approuvé la Politique sur les dépenses du Conseil municipal et sur le fonds de l'initiative Communauté en santé;

ATTENDU QUE le Conseil municipal reste attaché à une plus grande

transparence et une plus grande reddition de comptes pour la Ville du Grand Sudbury;

ATTENDU QUE, conformément à la Politique sur les dépenses du Conseil municipal et sur le fonds de l'initiative Communauté en santé, vingt-cinq pour cent (25 %) de l'affectation annuelle du fonds de l'initiative Communauté en santé peuvent être dépensés à des subventions et des dons à des groupes communautaires, à des dépenses d'activités communautaires et à des cadeaux et promotions pour des activités communautaires et pour des groupes communautaires;

ATTENDU QUE l'utilisation du fonds de l'initiative Communauté en santé en vue des subventions et des dons à des groupes communautaires, à des dépenses d'activités communautaires et à des cadeaux et promotions pour des activités communautaires et pour des groupes communautaires n'assurent pas de chances égales aux candidats qui ne sont pas titulaires de poste;

PAR CONSÉQUENT, IL EST RÉSOLU QUE la Politique sur les dépenses du Conseil municipal et sur le fonds de l'initiative Communauté en santé soit modifiée pour prévoir que cent pour cent (100 %) de l'affectation du fonds de l'initiative Communauté en santé soient permis seulement pour des projets d'immobilisations pour construire, remplacer, réparer ou acheter des biens appartenant à la municipalité.

#### R-5. **Remplacement de l'aréna communautaire de Sudbury**

Présentée par le Conseiller Belli :

ATTENDU QUE l'aréna communautaire de Sudbury est le plus vieil aréna de la Ligue de hockey de l'Ontario, ayant été construit en 1951;

ATTENDU QUE l'aréna communautaire de Sudbury n'est pas doté des mêmes agréments que ceux des installations nouvellement construites de la Ligue de hockey de l'Ontario comme un système de déshumidification, dont la lacune a dernièrement entraîné l'annulation d'une partie de hockey de la Ligue de hockey de l'Ontario;

ATTENDU QUE la Ligue de hockey de l'Ontario veut obtenir un compte rendu de la Ville du Grand Sudbury au sujet de ses projets en matière du remplacement de l'aréna communautaire de Sudbury;

ATTENDU QUE, à sa réunion du 8 juillet 2013, le Comité des services communautaires a approuvé la résolution CS2013-34, qui entre autres sujets, comprenait « Qu'on explore les occasions de remplacer l'aréna communautaire de Sudbury, y compris la considération de partenariats et de réserves des secteurs public et privé », résolution qu'a adoptée le Conseil municipal lors de sa réunion du 9 juillet 2013;

PAR CONSÉQUENT, IL EST RÉSOLU QUE la Ville du Grand Sudbury ordonne l'accélération de la démarche d'exploration en vue du remplacement de l'aréna communautaire de Sudbury.

**MOTIONS**

Item R-2  
Scope of the Integrity  
Commissioner's Work  
and Code of Ethics Council Members were advised that this motion will be presented at a future meeting of City Council.

**QUESTION PERIOD**

Lighting on Lorne Street Councillor Cimino asked what is being done to rectify the lighting situation on Lorne Street as a result of the street lights being moved from the sidewalk side of the street to the other side.

The General Manager of Infrastructure Services indicated that the situation is being evaluated and a plan will be presented to the Councillor by the end of the month.

## **QUESTION PERIOD**

### **Water Maintenance Repairs**

Councillor Berthiaume asked why it takes a long time to resod a property after water maintenance repairs.

The General Manager of Infrastructure Services indicated that one issue is some watermain breaks occur during the winter. He further indicated that this matter is being reviewed to reduce the time between the repairs and the resodding.

### **Birch Trees**

Councillor Rivest asked what is causing birch trees to turn brown and emit a sticky substance and was directed to the Ministry of Natural Resources should further information be required.

## **NOTICES OF MOTION**

### **Council Expense and Healthy Community Initiative Fund Policy**

The following Notice of Motion was presented by Councillor Belli:

WHEREAS at its December 11<sup>th</sup>, 2012 Council meeting, City Council, in an effort to further transparency and accountability, approved the Council Expense and Healthy Community Initiative Fund Policy;

AND WHEREAS City Council remains committed to furthering transparency and accountability for the City of Greater Sudbury;

AND WHEREAS pursuant to the Council Expense and Healthy Community Initiative Fund Policy, twenty-five percent (25%) of the annual Healthy Community Initiative Fund allocation can be spent on grants and donations to community groups, community event expenses, and gifts and promotions for community events and community groups;

AND WHEREAS the use of Health Community Initiative Funds towards grants and donations to community groups, community event expenses, and gifts and promotions for community events and community groups does not provide a fair and level playing field to candidates who are not incumbents;

NOW THEREFORE BE IT RESOLVED THAT the Council Expense and Healthy Community Initiative Fund Policy be amended to provide that one hundred percent (100%) of the Healthy Community Initiative Fund allocation be permitted only on capital projects to build, replace, repair or purchase municipally owned assets.

Council Members noted that the above motion will be dealt with at the next City Council meeting.

### Tender for Roofing Upgrades GDD13-38

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Friday, Sep 20, 2013
Type:	Tenders and Requests for Proposals

### Recommendation

That the City of Greater Sudbury award Contract GDD13-38 for various roofing upgrades to Damisona Roofing, in the amount of \$135,900 plus HST, this being the lowest compliant Tender meeting all requirements.

### Background

The report is before Council as it is a requirement of the City's Purchasing By-law to seek Council approval "where an irregularity precludes the Award of a Contract to the bidder submitting the lowest Tender and the Total Acquisition Cost exceeds \$35,000".

On Tuesday, September 10<sup>th</sup>, 2013, the Tender Opening Committee met to open Tenders for Contract GDD13-13 (Tender for various roofing upgrades. The four bids received are tabled below.

Bidders	Total Bid price (Excl. HST)
Damisona Roofing	\$135,900
Laari Construction Inc.	\$117,850
Schutt Restoration Services (Thunder Bay) Ltd.	\$141,062
C & R Roofing	\$118,064.81

Laari Construction Inc. submitted the lowest price of \$117,850 (excluding HST) with an insufficient bid deposit. In accordance with Schedule "C" of Purchasing By-law 2006-270, item 3, "No Bid Security or agreement to bond or insufficient bid deposit or agreement to bond", the bid must be automatically rejected.

The second lowest Tender submitted was C & R Roofing, submitting a Tender price of \$118,604.81 (excluding HST), who also did not meet all specifications by a \$30,000 Certified Cheque without an agreement to bond. In accordance with Schedule "C" of Purchasing By-law 2006-270, item 3, "No Bid Security or agreement to bond or insufficient bid deposit or agreement to bond", the bid must be automatically rejected.

### Contract GDD13-39 - Mobile Video Surveillance Systems

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Wednesday, Oct 02, 2013
Type:	Tenders and Requests for Proposals

#### Recommendation

That the City of Greater Sudbury award Contract GDD13-39 Request for Proposal for the Supply and Installation of Mobile Video Surveillance systems (On-Board Security Cameras) to Seon Design Inc. in the amount of \$249,590.00 excluding HST, this being the lowest bid with the highest scoring proposal submission meeting all the specifications.

#### Finance Implications

Funding has been approved and will be provided from the Capital Financing Reserve Fund – Transit.

## Background

A Request for Proposal was prepared in accordance with the current Purchasing By-Law 2006-270 for the Supply and Installation of Mobile Video Surveillance Systems (On Board Security Cameras) for the Transit Fleet. The estimated value of the contract was \$275,000.00.

Four proponents responded to this request as follows;

- SECUREaGLOBE Solutions Inc.
- Seon Design Inc.
- K4 Integration Inc.
- Chubb Edwards

The proposals were reviewed as per the following evaluation criteria as set out in the RFP;

Cost – 30 points  
 Compliance w/Specs and Requirements – 30 Points  
 Experience and Qualifications – 20 points  
 Implementation – 10 Points  
 Product – 10 Points

### 2013 Water Wastewater Operating Budget Variance Report

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Tuesday, Oct 01, 2013
Type:	Routine Management Reports

#### Recommendation

That the City of Greater Sudbury accept the July 31, 2013 Water Wastewater Variance Report dated October 1, 2013 from the Chief Financial Officer/City Treasurer and the General Manager of Infrastructure Services outlining the projected year end position.

#### YEAR END VARIANCE

The year end surplus for Water and Wastewater Services is projected to be \$145,421 as outlined in Schedule A. Water is projecting a deficit of \$199,236 while Wastewater is trending to a surplus of \$344,657.

The major contributors to this surplus are:

Category	Favourable/(Unfavourable)
Salaries and Benefits	\$776,000
Materials	\$464,000
Purchased Services	\$(1,078,600)
Other net variances	\$(15,979)
<b>Total Projected Surplus</b>	<b>\$145,421</b>

#### VARIANCE EXPLANATIONS

##### User Fees

Actual user fee revenues are trending toward budgeted amounts. For 2013 the estimated consumption has been budgeted at 14.3 million cubic metres. Based upon information provided by GSU, it is estimated that the consumption will be approximately 14.3 million cubic metres. This is still an estimate as final consumption numbers will be known in early 2014.

##### Salaries and Benefits

Salaries and benefits are projected to be under budget by approximately \$776,000. The division

experienced staff turnover and in some cases were / are unable to successfully fill those specialized vacancies on a timely basis. Additional savings relate to the fact that the division was unsuccessful in recruiting a temporary staff position, which was subsequently contracted out. As well, overtime is being strictly managed and is being kept to a minimum by all sections within the division and the use of casual labour has been reduced where possible.

### **Materials**

Materials are projected to be under budget by \$464,000. This is a combination of savings in chemicals, break down repair related materials and other plant related maintenance savings.

### **Purchased Services**

Purchased service costs are projected to be over budget by \$1,078,600.

There have been 65 watermain breaks to the end of June. This compares to 2011 when there were 67 through the same period, but in contrast to 2012 when only 34 breaks had been repaired through the month of June. It is estimated that emergency repairs of both water and sewer related infrastructure will be over budget by \$1,300,000. Contributing to this overage are repairs being performed by contractors in light of aforementioned staff vacancies.

Offsetting this are projected savings of \$200,000 related to the road restoration contracts being tendered under budget.

### **Conclusion**

The final year end water deficit will be funded by contributions from the Water Capital Financing Reserve Fund while the wastewater surplus will be contributed to the Waste Water Capital Financing Reserve Fund in accordance with the By-law.

### 2013 Operating Budget Variance Report - July

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Wednesday, Oct 02, 2013
Type:	Routine Management Reports

### Recommendation

That the City of Greater Sudbury accept the July 31, 2013 Variance Report dated October 2, 2013, from the Chief Financial Officer/Treasurer outlining the projected year end position.

### Background

The purpose of this report is to provide Council with a projection of the Municipality's year-end position including potential year-end variances. The monitoring and reporting of variances has been conducted in accordance with the Operating Budget Policy and by-law.

For this July projection, departments reviewed all accounts under their areas of responsibility and provided projected year end values for each account. Based on this exercise, the data has been compiled and reviewed by Finance and a year-end deficit of approximately \$0.6 Million (before a draw from Roads Winter Control Reserve Fund) has been projected. Staff have taken measures to mitigate this potential deficit and the corresponding draw from the Roads Winter Control Reserve Fund, by curtailing discretionary spending wherever possible.

This report will provide explanations regarding the potential year end position and explains variances in excess of \$200,000 in a division or section.

The Reserves and Reserve Funds By-law allows certain operations to keep the surpluses generated in their respective areas, only if this does not put the municipality in a deficit position; these areas include Information Technology, Land Reclamation Services, Social Housing Services, Police Services and professional development. For 2013, these areas will not retain their respective surpluses, if the municipality is in a deficit position.

In accordance with the by-law any net over expenditure related to winter roads maintenance could be withdrawn from the Roads Winter Control Reserve Fund.

Attached is a chart that reflects the annual net budget, projection and variance.

In accordance with the Operating Budget Policy approved by Council, the following explanations relate to areas where a variance of greater than \$200,000 is projected within a division or section:

**1) Corporate Revenues**

Staff has initially determined that a total potential negative variance of \$500,000 may occur in supplementary tax revenue. The 2013 budgeted supplementary taxation revenue was decreased to \$2.9 Million, which was the 2012 actual supplementary tax revenue received. The tax rolls received to date are reflecting less value than in previous years, which is resulting in the projected net shortfall. More information will be available in the coming months. In the area of tax write offs, it is still too early to project year-end positions as there are still some large appeals outstanding. However, it is anticipated that the allowance maybe sufficient to handle successful appeals undertaken by taxpayers.

**2) Corporate Security and Court Services**

Revenue is dependent on charges laid, decisions made in court and on the timing of collection of fines. As a result of recent fine announcements, this section is projecting to have revenues exceeding budget by \$900,000 for the year.

**3) Compliance and Enforcement**

Lower than expected revenues from Lottery and Bingo Licences of \$110,000, parking fines and fees of \$80,000 (net of revenue sharing costs) and business licencing revenues of \$30,000 have resulted in a projected net deficit of \$220,000 for this section.

**4) Social Services**

Slightly lower costs than budgeted in General Welfare Assistance and Sole Support coupled with lower administration costs due to staff vacancies throughout the year have created a positive variance of \$380,000 for the Division.

**5) Citizen Services**

A change in the Provincial funding formula for Children Services has resulted in a budget reduction and a corresponding municipal cost share reduction of approximately \$410,000. In addition, Tom Davies Call Centre is projecting a net under expenditure of \$30,000 which results in a total positive variance of \$440,000 for this Division.

**6) Roads Maintenance**

The net over expenditure for Winter Roads maintenance as a result of the increased requirement for salting, sanding, plowing and snow removal is \$1.5 Million. This section is weather dependant, therefore, making it challenging to project a potential year end position for this area. In accordance with to the Reserves and Reserve Fund bylaw, any Roads Winter Control over expenditures may be funded from the Roads Winter Control Reserve Fund. The Winter Roads over expenditure has been mitigated slightly by the deliberate curtailing of expenditures in Summer Roads Maintenance resulting in the overall projection of a deficit of \$1.3 Million for this Division.

**7) Transit and Fleet**

This Division is experiencing an overall deficit of about \$750,000 which is comprised of \$600,000 in Transit and \$150,000 in Fleet, as a result of various factors. Firstly, Handi-Transit is projecting an over expenditure of \$215,000 to the end of the year which is largely attributed to the increase in number of riders requiring the system. This is offset by a reduction in demand for Transcab services resulting in a projected under expenditure of \$35,000. Operations Committee has approved changes to Handi-Transit policies and procedures in an effort to improve the service for customer and reduce costs where possible.

Bus operators are also projecting an over expenditure of \$200,000 as a result of ongoing unbudgeted modified work program costs, contractual training requirements for new operator hires, and additional costs related to realignment of staffing levels to achieve approved service levels. The realignment has been phased in and should be accurate in the 2014 budget.

Other items contributing to the variance are snow removal costs for bus shelters of \$60,000 and bus parts of \$90,000 which is largely due to heavy winter conditions and higher than normal bus repairs. Lastly, an over expenditure of \$70,000 in depot building repairs is due to above normal maintenance requirements such as storm receptor vacuuming and HVAC maintenance.

**Summary**

Based on the revenues and expenditures to the end of July 2013, and the departmental projections provided, a year-end deficit of approximately \$0.6 Million is projected, mainly as a result of unfavorable winter weather conditions. If a deficit materializes at year-end it would be funded by a draw from the Roads Winter Control Reserve Fund.

However, operating departments are taking measures to mitigate this potential deficit, and curtailing expenditures where possible. Actual year-end results will also vary depending on variables such as weather for November and December, the bond market and final supplementary assessment rolls. If there is a year-end surplus, it would be contributed to the Tax Rate Stabilization Reserve and Capital Financing Reserve Fund-General.

## Request for Decision

### Healthy Community Initiative Fund Requests for Approval

#### Recommendation

That the City of Greater Sudbury grant approval for the following Healthy Community Initiative Fund projects identified for:

Ward 11 - Capital expenditure for the purchase and installation of lighting at the Minnow Lake dog park and adjacent parking area for the sum of up to \$24,000.

Ward 3 - Donation to Café-musique Rayside Balfour Productions for costs associated with the Café-Héritage Festival for the sum of \$750.00.

Ward 4 - Donation to Café-musique Rayside Balfour Productions for costs associated with the Café-Héritage Festival for the sum of \$750.00.

And that any necessary by-law be presented.

#### Finance Implications

The capital project and donations for which approval are being sought in this report will be funded through the Ward 3, 4 and 11 Healthy Community Initiative Funds, in which sufficient dollars are available.

Ward 11 - up to \$24,000- Capital expenditure for the purchase and installation of lighting at the Minnow Lake Dog Park and adjacent parking area - Staff have estimated that the associated operational budget impact will be approximately \$750.00 annually.

## Background

In accordance with Section 6.1.1 of the Council Expense and Healthy Community Initiative Fund Policy, Council approval is being sought for a capital project exceeding a contribution of \$5,000 in Ward 11 as well as donations to community groups for Wards 3, and 4.

**Ward 11 - up to \$24,000 - Capital expenditure for the purchase and installation of lighting at the Minnow Lake Dog Park and adjacent parking area.**

For the safety of visitors to the Minnow Lake Dog Park, Councillor Kett wishes to have lighting purchased and installed at the dog park and the adjacent parking area. The cost of the project is estimated at a cost of up to \$24,000.00.

The project does meet the three step eligibility test required by the Council Expense and Healthy Community Initiative Fund Policy.

Councillor Kett seeks Council's approval to expend the sum of up to \$24,000.00 from the Ward 11 Healthy Community Initiative Fund towards the cost of purchasing and installing lighting at the Minnow Lake Dog Park and the adjacent parking area.

**Ward 3 - \$750 - Donation to Café-musique Rayside Balfour Productions for costs associated with the Café-Héritage Festival**

Café-musique Rayside Balfour Productions is seeking financial assistance from the Ward 3 Healthy Community Initiative Fund to cover rental, security, entertainment and other costs associated with its Café-Héritage Festival.

The donation meets the three step eligibility test required by the Council Expense and Healthy Community Initiative Fund Policy. If approval is granted for this donation, the total grants and donations, community event expenses, gifts and promotion for Ward 3 will not exceed 25% of the HCI annual budget allocation.

Councillor Berthiaume seeks Council's approval to expend the sum of \$750 from the Ward 3 Healthy Community Initiative Fund towards the donation to Café-musique Rayside Balfour Productions.

**Ward 4 - \$750 - Donation to Café-musique Rayside Balfour Productions for costs associated with the Café-Héritage Festival**

Café-musique Rayside Balfour Productions is seeking financial assistance from the Ward 4 Healthy Community Initiative Fund to cover rental, security, entertainment and other costs associated with its Café-Héritage Festival.

The donation meets the three step eligibility test required by the Council Expense and Healthy Community Initiative Fund Policy. If approval is granted for this donation, the total grants and donations, community event expenses, gifts and promotion for Ward 4 will not exceed 25% of the HCI annual budget allocation.

Councillor Dutrisac seeks Council's approval to expend the sum of \$750 from the Ward 4 Healthy Community Initiative Fund towards the donation to Café-musique Rayside Balfour Productions.

### Request for Noise By-law Exemption - Intersection of John Street and Paris Street

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Wednesday, Oct 02, 2013
Type:	Routine Management Reports

### Recommendation

THAT the City of Greater Sudbury has no objection to the granting of an exemption to Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law) to Infrastructure Services to allow the completion of watermain connections at the intersection of John Street and Paris Street;

AND THAT exemption to Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law) be granted from October 9, 2013 to November 9, 2013 with the condition that the exemption may be withdrawn at any time should serious complaints arise.

### Finance Implications

There is no financial impact associated with this Request for Decision.

### Policy Implications

The request for a noise exemption is in accordance with Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law).

### Background

Wendi Mannerow, Water/Wastewater Engineer is requesting an exemption to the City's Noise By-law to allow construction activities at the intersection of John Street and Paris Street from October 9, 2013 to November 9, 2013.

In order to complete the construction contract, the watermain connections will require excavations in the intersection which may require lane closures resulting in traffic congestion and vehicle rerouting. As well, the municipal watermain in the area will need to be isolated during the work, so the residents will be without water during that time.

The anticipated impacts on the neighbourhood that can be expected from the night work are as follows:

- Construction lighting;
- Dump trucks;
- Excavators; and
- Pickup trucks for the workers.

Completing the above work during overnight hours will minimize the impacts on water customers in the area and traffic on Paris Street during the day. The project will be discussed at the weekly traffic meeting which will keep EMS and Fire Services apprised of the upcoming activities and lane closures. As well, updates will be provided to the public through Corporate Communications.

It is recommended that Council approve the exemption for the period requested. The exemption may be withdrawn at any time should any serious complaints occur.

This request has been circulated to Councillor Frances Caldarelli; City of Greater Sudbury Roads and Transportation Services; City of Greater Sudbury Building Services; City of Greater Sudbury Compliance and Enforcement Services; Greater Sudbury Police Services; and City of Greater Sudbury Fire Services. No concerns have been received.

### Recommendation

THAT the City of Greater Sudbury has no objection to the granting of an exemption to Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law) to Infrastructure Services to allow the installation of a new sanitary sewermain on Loach's Road from Regent Street to Windle Drive;

AND THAT exemption to Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law) be granted from October 9, 2013 to November 9, 2013 with the condition that the exemption may be withdrawn at any time should serious complaints arise.

## Finance Implications

## Policy Implications

The request for a noise exemption is in accordance with Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law).

## Background

Wendi Mannerow, Water/Wastewater Engineer is requesting an exemption to the City's Noise By-law to allow the installation of a new sanitary sewermain on Loach's Road from Regent Street to Windle Drive from October 9, 2013 to November 9, 2013.

Completing the above work during overnight hours would reduce the impacts on vehicular and pedestrian traffic. There are two (2) schools, two (2) hotels, several commercial buildings, an apartment building and a large residential neighbourhood that utilize this roadway for access. The work would be significantly expedited if allowed to occur during the night, when the traffic interruptions are minimal.

### Rooftop Solar Projects

Presented To:	City Council
Presented:	Tuesday, Oct 08, 2013
Report Date	Wednesday, Oct 02, 2013
Type:	Managers' Reports

### Recommendation

WHEREAS the City of Greater Sudbury proposes to construct and operate Rooftop Solar Photovoltaic Projects (the "Projects") in the City of Greater Sudbury as an Applicant under the Province's FIT Program on Lands described as follows:

1. Pioneer Manor Long Term Care Facility;
2. Gerry McCrory Countryside Sports Complex;
3. Transit/Fleet Garage;
4. Sudbury Wastewater Treatment Plant.

AND WHEREAS other Applicants have been and will continue to propose to construct and operate Rooftop Photovoltaic Projects (the "Projects") in the City of Greater Sudbury under the Province's FIT Program;

AND WHEREAS Applicants have requested that Council of the City of Greater Sudbury indicate by resolution Council's support for the construction and operation of the Projects in the City of Greater Sudbury;

AND WHEREAS, pursuant to the rules governing the FIT Program (the "FIT Rules"), Applications whose Projects receive the formal support of Local Municipalities will be awarded Priority Points, which may result in the Applicant being offered a FIT Contract prior to other persons applying for FIT Contracts;

NOW THEREFORE BE IT RESOLVED THAT: Council of the City of Greater Sudbury supports the construction and operation of the Projects anywhere in the City of Greater Sudbury.

This resolution's sole purpose is to enable the Applicant to receive Priority Points under the FIT Program and may not be used for the purpose of any other form of municipal approval in relation to the Application or Project or any other purpose.

### Finance Implications

No capital funding has been identified and business cases will be undertaken and brought back to Council for consideration and approval prior to proceeding with any project.

## Background

Ontario Power Authority's FIT (Feed-in-Tariff) Program encourages the construction and operation of rooftop solar, ground mount solar, bio-energy and on-shore wind generation projects. The new version of FIT is favourable towards Municipalities and Public sector organizations by awarding priority points; City Council resolution for the particular project enables to secure the Priority points. This increases the chances of securing a FIT contract for the Sudbury-area Applicants with OPA for 20 years at a pre-determined rate. The FIT-3 application window is expected to open in October 2013 for a period of 30 days only.

Business cases for the projects will be undertaken and brought back to Council for consideration and approval prior to proceeding with any municipal project initiated by the City of Greater Sudbury.

As a point of information, staff had considered solar projects on some of the facilities in the south end of the City in previous years, however, a connection to the grid was not possible. Since then, necessary upgrades were effected to the Martindale Substation to accept additional connections.

### DETAILS:

The [Ontario Power Authority](#) (OPA) is a not-for-profit corporation with a mandate from the Ontario government to ensure a reliable, sustainable supply of electricity for the province.

It has three key areas of focus:

- leading and coordinating conservation efforts across the province
- planning the power system for the long term
- ensuring development of needed generation resources

The Ontario Power Authority (OPA) is responsible for designing and implementing the FIT (Feed- in-Tariff) Program, which include the program rules, price schedule, contracts, registration, application and contracting processes as well as ongoing contract management activities.

### SMALL FIT CONTRACTS OFFERED

Ontario's clean energy economy continues to grow as the Ontario Power Authority (OPA) offers 951 new Small Feed-in Tariff (FIT) renewable energy contracts. These contracts represent 146.5 megawatts (MW) of power, enough to power more than 21,000 homes.

Over 98 percent of the successful applications received municipal council support resolutions. Most of these contract offers are for solar photovoltaic (PV) projects, including 934 solar PV projects, 16 bioenergy projects and one waterpower project. In total, project developers are expected to invest over \$750 million in the Ontario economy, and the projects are expected to result in 2,200 jobs for Ontarians.

The projects announced lately include 46 MW or 219 projects with Aboriginal participation and 27.8 MW or 136 projects with community participation.

These contracts are being offered to successful applicants who applied during the Small FIT application period from December 14, 2012, to January 18, 2013. The OPA was authorized to offer up to 200 MW of contracts to these applicants; the remaining 53.5 MW of capacity that was not contracted in this round will be added to the procurement target for this fall's Small FIT application period. Details for this next window will be posted on the FIT website when they are available. ([Source: OPA website](#))

Approximately 70% of Ontario's electricity is generated by [Ontario Power Generation](#) at its hydroelectric, nuclear and fossil fuel stations. Independent power producers generate the remaining 30%. ([Source: OPA website](#))

### **FIT (Feed in Tariff) Program :**

The Ontario Power Authority (OPA) has created a program that encourages the development of renewable energy projects across Ontario. The program delivers significant benefits to project developers - including communities and Aboriginal groups - as well as equipment suppliers and installers, consumers and the overall provincial economy. The Ontario Power Authority (OPA) is now accepting Small FIT applications for renewable energy projects with a proposed capacity of more than 10 kilowatts and up to 500 kilowatts (defined in the FIT Rules as Small FIT Projects).

The prices for delivered power to the grid are designed to cover project costs and provide a reasonable rate of return on the investment over the term of the contract. The FIT Version 3.0 program from OPA is open for applicants and is applicable for construction and operation of rooftop solar, ground mount solar, bioenergy and on-shore wind generation projects, where in, OPA issues a 20 year contract with the participant for the purchase of the power at a predetermined rate.

One of the core goals of the FIT Program is to encourage the development of community-based renewable energy projects. This is done through the creation of a community contract capacity set-aside, reduced security payments, additional price incentives, the granting of priority points and opportunities for funding through the Community Energy Partnerships Program.

The application review process, all remaining eligible applications will be ranked based on the number of priority points they have received, as well as by timestamp. An application's timestamp will determine which application is screened for connection first if two or more applications have the same number of priority points. (*Source: OPA website*)

### **Municipal Council Support**

The OPA screens the Applicants for their proposed project and its viability in order to ensure that the grid capacity for renewable energy is well spent. OPA considers various aspects such as financial capability, design thoroughness, proposed project timeline etc. on which it issues merit points.

One of the aspects that the OPA considers to award priority points is for local Municipal support for renewable energy projects. OPA favours such proponents with priority points on basis of Municipal Council support for these renewable generation projects.

If a local municipality does pass a resolution support in this effect, the resolution will only allow the applicant to obtain priority points under the FIT program. Projects that receive a contract from the OPA will still need to obtain any required approvals prior to construction (building permits, REA, etc.). The Council's support resolution for renewable projects in the City of Greater Sudbury will give the Applicants the much needed extra priority for securing the FIT (Feed-in-tariff) contract. This recommendation is for a Council blanket support resolution for rooftop solar photovoltaic anywhere in the City of Greater Sudbury. The blanket support resolution would not apply to ground-mount solar projects or any other type of renewable energy project encouraged by the Province's FIT Program.

### Write-off of Property Taxes at 1014 Highway 17 East in the City of Greater Sudbury

#### Recommendation

That the City of Greater Sudbury write off property tax arrears at 1014 Highway 17 East in the amount of \$94,413.46 in accordance with Section 354 of the Municipal Act. This amount has been allowed for in the City's allowance for doubtful accounts and will have no impact on the 2013 budget.

#### Purpose

The purpose of this report is to seek direction from City Council regarding the property tax arrears at 1014 Hwy 17 East in the City of Greater Sudbury.

#### Background

The subject property is a former gas station measuring approximately one acre in size and is Zoned C-2 General Commercial. The property has a long history of property tax arrears and has been abandoned by the owner. On September 27, 2012, the property was part of a public tax sale under the authority of the Municipal Act and no bids were received.

To date, the property tax arrears remain as follows:

Taxes	\$51,801.48
Penalty/Interest	<u>\$42,611.98</u>
Total	\$94,413.46

The amount of \$94,413.46 has been allowed for in the City's allowance for doubtful accounts.

#### New Developments

The property owner has agreed to transfer the property to a proposed purchaser in return for consideration of \$1,000.00 with the cost of property transfer to be borne by the purchaser.

The purchaser has agreed to accept the transfer of title to the property, conditional upon the City of Greater Sudbury accepting payment in the amount of \$5,000.00 towards the property taxes and writing off the remaining balance. In return, the purchaser intends to conduct an environmental clean up of the property and provide a letter of credit in the amount of \$50,000.00 to the City as a guarantee the property will be remediated. The letter of credit will be released when the remediation has been completed to an acceptable standard.

City Council's authority to write off the property taxes can be found in Section 354 of the Municipal Act, an excerpt of which states as follows:

**2. The treasurer of a local municipality shall remove unpaid taxes from the tax roll if,  
(a) The council of the local municipality, on the recommendation of the treasurer, writes off the taxes as uncollectible;**

As well, Section 354 (3) reads:

**A local municipality may only write off taxes under clause (2) (a) after an unsuccessful tax sale under Part XI and may at that point write off the taxes whether or not the property vests in the municipality under that part.**

## **Recommendation**

Finance staff is recommending that City Council allow this proposal to go forward and once the conditions of the transaction are met, Finance staff will write off the property taxes.

### OLG Slots - Amended Agreement

#### Recommendation

THAT the City of Greater Sudbury enter into the amended and restated Municipality Contribution Agreement with the Ontario Lottery and Gaming Corporation (OLG) for the gaming site located at 400 Bonin Street in Chelmsford, Ontario; and

THAT the appropriate by-law be passed.

#### Finance Implications

The financial impact of participating in the Community Recognition Program (CPR) is currently not known but is expected to be only a minimal amount.

## Background

In November 2012, Council approved entering into an agreement with OLG for an enhanced sharing arrangement for the City on slots revenue. That agreement moved the City's share of the slots net revenue from 5% to 5.25%.

### **Amended and Restated Municipality Contribution Agreement**

This new agreement does not change the revenue sharing thresholds. The City's revenue sharing will remain at 5.25% if the net revenue continues to be under the \$65 million threshold. The new agreement includes revenue sharing for live table games. The following table reflects the revenue sharing percentages at each threshold level for the electronic games, as well as the live table games revenue.

<b>Net Revenues</b>	<b>Municipal Sharing Percentage</b>
Electronic Games Revenue up to \$65 Million	5.25%
Electronic Games Revenue Greater than \$65 million up to \$200 Million	3.00%
Electronic Games Revenue Greater than \$200 million up to \$500 Million	2.50%
Electronic Games Revenue Greater than \$500 Million	0.50%
Live Table Games Revenue	4.00%

This amended agreement calls for municipalities to work with the OLG under the Community Recognition Program (CRP) to promote the positive impact of the Annual Contribution. Under the CRP, communication to the public is required providing decisions made and initiatives taken by municipalities regarding the deployment of the Annual Contribution for municipal purposes. It is expected that the CRP will include one community event during each operating year during the term of the agreement, as well as discussions and meetings on a regular basis between appropriate representative of each party relating to spending, allocation, and deployment of the Annual Contribution.

## **Summary**

It is recommended that the City enter into this amended agreement with OLG in order to continue to receive the Annual Municipal Contribution from the slots. As more details are provided regarding the City's role in the CRP, Council will be updated. The financial impact to the City regarding the CRP is not known but is expected to be minimal.
