**PRESENTATIONS**

**Item 1**
Audit of Accounts Payable

Report dated April 28, 2011 was received from the Auditor General regarding the Audit of Accounts Payable.

Brian Bigger, Auditor General, made an electronic presentation on the Audit of Accounts Payable. He stated that his findings and conclusion are based on Accounts Payable data specifically extracted for this audit, and a comparison of the conditions, as they existed at the time the auditors initiated the audit on October 4, 2010. He stated that the primary objectives of this audit were to evaluate the adequacy and effectiveness of internal controls related to accounts payable and vendor management.

The Auditor General identified fourteen recommendations with eight (8) recommendations of high importance:

2. Handling of voided cheques;
3. Implementation of purchase orders into People Soft to reduce duplicate invoices;
4. Accountability and documentation of Vendor management;
5. Segregation of duties and People Soft access
6. Establishing formal payment terms;
7. Evaluate the use of P-Cards to decrease number of low dollar transactions; and
8. Establish a policy for updating the authority listing for invoice approval.
PRESENTATIONS (CONT’D)

Item 1
Audit of Accounts Payable (cont’d)

The following motion was presented:

2011-14 Cimino-Dupuis: THAT the Audit Committee accept the report dated December 14, 2010, identifying audit observations, conclusions, and recommendations made by the Auditor General’s Office through their audit of Accounts Payable.

CARRIED

Item 2
Audit Follow-up Status Report – Miscellaneous Roads Winter Maintenance Program

Report dated April 28, 2011 was received from the Auditor General regarding the Audit Follow-up Status Report.

Brian Bigger, Auditor General, made an electronic presentation on the follow-up status report – Miscellaneous Roads Winter Maintenance. He explained a total of 32 recommendations were reviewed; 19 recommendations have been fully implemented; 11 recommendations not fully implemented and 2 recommendations are not being implemented as they are no longer necessary. He stated the 11 recommendations that are not fully implemented are in progress. He believes the implementation of the recommendations contained in the report have strengthened controls, and resulted in operational efficiencies.
